Dear Parents/Guardians,

Greetings from Delhi Public School, Barasat!

I hope you are all doing well. The pandemic has had a huge impact on the entire community, both physically and mentally.

Keeping in mind the health and safety of our children, we had conducted online classes for almost two academic sessions. We are grateful for the support received from you during these times.

School is a place that creates a friendly environment so as to maintain a dynamic equilibrium between the environment and education. This academic session was an unusual one with the teaching-learning process taking a different shape through the online mode, keeping everyone safe within the four walls of one's home. I raise my hand in gratitude to our Creator for protecting us with his innumerable blessings. I take pride in acknowledging the efforts of both teachers and students who responded with innovation, creativity and redesigned the pedagogy through the fibers of technology. The pandemic did not deter their spirit and they adapted to the 'new normal' soon enough to get in touch with each other. DPS, Barasat has given due importance to scholastic and co-scholastic activities to ensure fulfilment of our promise of holistic development of each student, even in such times.

Recently the Government has notified vide order no - 753/XXIII-ISS/2M-22/2020 dated 14.02.2022, allowing the schools to open with covid protocols. In line of the order we intend to resume the school in a phased manner starting with higher classes. Since examination schedule has already been notified we propose to start Offline Examination instead of online from Monday 21<sup>st</sup> February, 2022, for **Classes VI & VII** only. All necessary arrangements in this regard are being made by the School. All guidelines/SOP regarding Covid appropriate behavior will be adhered to by the School. To name a few, the school building has been sanitized, at drop point hands of all students will be sanitized , proper masking throughout the day during the school hours will be ensured, each classroom will have a stock of sanitizer so that the practice can be repeated after washroom, break , dispersal etc.

We request parents and students to also kindly adhere & ensure the safety protocols issued by the Government for Covid-19.

Please make a note of the following:

- All have to adhere to the Covid-19 protocol guidelines given by the Govt.
