Before visiting the school for collection, please contact vendor representative Mr. Ravi at his mobile no. 9836161466 and confirm the slot of delivery, exact time & consideration.

Kindly follow the instructions as advised and collect the materials. As this will be in order to ensure minimal gathering at collection point, following government guidelines.

Kindly note that there will be no trial rooms and we advise you not to bring your child along. Please take the uniforms home and share your concern with Mr. Ravi in case of any issue.

As per our practice, all stationery items will be delivered in the classes on opening of the school.

We solicit your cooperation during the complete distribution process while following all Covid guidelines - hand wash, use of mask and gloves, social distancing and avoiding touch points.

Since each dealing can not be perfectly timed and we are trying to organise such distribution against all odds, we request your full cooperation.

Thank you for all your support, as always.

With Best Regards,
