DATE: 14<sup>th</sup> December, 2020

Dear Parents,

**Greetings from DPS Barasat.**

As all of us are moving through an unprecedented situation with the outbreak of COVID-19, here is something special which DPS Barasat has thought of for all the students who are being newly admitted to the school for session 2021-22.

Under the present times, Schools are allowed only to function online. This situation will persist till the time we defeat COVID 19 and obtain government notification to open the School gates to our students for physical Schooling.

DPS Barasat, has thought of making all the new students equipped and groomed to the online learning culture. We are proud to announce that our enthusiastic and trained faculty members are doing a marvelous job of teaching all our existing students through our online classes. We desire to extend their help towards grooming your children and preparing them for regular classes even before the session officially commences.

This way they will be confident in enjoying online School. Please be informed that there will be 2 classes each day of 40 mins each.

We would definitely desire that your children take these online preparatory classes in their school uniforms. This would further develop a sense of belonging among them towards the School.

“STUDENT CORNER” is the official supplier for School Uniform, Books, Stationery etc. for Delhi Public School Barasat. You are requested to visit the school premise along with your child to provide measurement for the School Uniform for the session 2021-22, as online classes for new admissions will commence from 4th January 2021 onwards.
