Dear Parent/Guardian,

Greetings from DPS, Barasat !

It is my pleasure to welcome you to the very educational community of Delhi Public School, Barasat.

At DPS, Barasat we seek:

- to inspire in every student the desire to the best they can be and embrace learning throughout their lives.
- to challenge, thinking and encourage creativity
- to be a proud and professional, high performing committed educational community
- to be supportive, caring and nurturing

Our curriculum is designed to engage young minds and provide a continuity of learning experiences through their years of schooling.

Keeping the health and safety of our students and staff in mind, we are onto a virtual platform of learning. Our goal is to do this in phased manner to minimize any kind of stress on our students and parents.

In order to familiarize you and your ward with the school curriculum, system, methodology and above all improve upon their communication skills we are going to conduct virtual classes for your ward to groom your ward and prepare them for regular classes even before the session officially commence. Our teachers have effectively planned the curriculum which will have a balance of academic and non-academic activities.

We will be using one learning platform for our virtual classes: **classroom.live app**

What you can do to support your child's online learning experience:

- Please ensure your child has access to a digital device:
Computer with a webcam, laptop with a working internet or an android phone.
- Set up a study space with proper lighting where children are comfortable
- Eliminate distractions
- Familiarize yourself with the virtual learning platform
- Do a role play with your child and guide them how to sit, how to interact online and how to ask questions and listen to the teacher.
- Please show patience with your child. They might be fidgety and restless but that is ok. Our teachers will be there to guide both you and your ward.
