19<sup>th</sup> May, 2020

Dear Parents,

The academic session 2020-2021, despite the prolonged lockdown, began in full swing through online classes, and we are sure by now students have settled well in their classes. For all, it has been a new and exciting experience.

Now, with the temperatures soaring high, children look forward to vacations to enjoy those little pleasures of life that gets left behind during the busy school routine. But, this time vacations will be different. Amid Covid-19 scare there are more don'ts than dos. But we are sure that kids will find out their ways to beat the monotony & banality.

Summer vacation has begun from 16<sup>th</sup> of May 2020 and school will re-open on 8<sup>th</sup> of June 2020.

Well-being of all is in our daily prayers. So, even though we have met only through online classes, but believe us, we are anxiously waiting to see all of you at school...Amen.

To ensure that the children have a constructive holiday, some holiday assignments & projects have been given which will keep the child active and observant. These projects can be easily done by the children. YouTube and other links have been provided by teachers for help. You may also assist your child, only with hints, iff absolutely necessary. We are sure these will indeed provide an enjoyable and different learning experience for our children.

Rest, sleep, recreation, relaxation loses its charm and fades into boredom after the first few days... and then a zestful soul pines for fulfilment and contentment. To gratify the soul's craving and the mind's desire for something new and meaningful, we, at DPS Barasat have taken a positive initiative to engage the students fruitfully in the Summer Camp starting from 1<sup>st</sup> June, for 3 days. Details of which will be shared with you shortly.

The wide range of activities will unleash hidden talents of the participants and boost their confidence. Request a full participation of your ward. Our teachers are putting in a lot of effort in making this an out of the world experience for our children.

We would also take this opportunity to remind you to send us the feedback of Online classes by filling in the google form which was sent to you on the 14<sup>th</sup> of May, unless you have already sent. Your suggestions and feedback mean a lot to us.

The Books and uniforms are also ready with the vendors. We will start distributing them from our school premises as soon as we get permission, following government guidelines.

We are also organizing an open-house parent teacher meeting to share each other's view on 30<sup>th</sup> May, 2020 Saturday, from 11:30 a.m. to 1.30 p.m. Please set up a reminder and do join us online. Please consider It as a must attend event. Meeting link will follow.

During vacation if you have any query, Ms. Piyali Kesh can be reached out by call/text/mail at her whatsapp no 76999 93633 and mail at: info@dpsbarasat.com.

Before we say goodbye to meeting again, let us remind our little ones to abide by the covid guidelines, do your assignments by yourself, relax, enjoy and help your parents.
